- Bag less Day 

## MELANGE

Melange was organised to enrich the overall development of our tiny tots and discover their hidden talents. The budding stars were provided with wonderful opportunities to explore and hone their innate talents through a series of events.

# WALL OF FAME

## STUDENT OF THE QUARTER

Congratulations to Ryan Rohaan Mubarakai for his exceptional kindness, teamwork, and positive contribution to group activities! Great job!

Kudos to Nishant for his outstanding achievement in extracurricular and academic pursuits. You are definitely an all-around performer. Well done!

Bravo, Manavika for your dedication to achieving academic success and your enthusiasm for fully engaging in all activities... Outstanding work!!

Congrats to Aadya for winning first place in the interschool running competition at Vydehi School and for her fantastic athletic performance.

Congratulations to Sumit for his outstanding athletic performance and first place win in the interschool running competition at Vydehi School.

Well done Lohith, on your remarkable athletic achievement and first-place victory in the interschool running competition at Vydehi School

# Excursion - Prani pet sanctuary

NIS planned a field trip to the Prani Pet Sanctuary for our Pre-Primary kids on August 14, 2024. Our kids loved getting to pet bunnies, feed birds, and spend time with farm animals like ponies, horses, goats, hamsters, and emus under the careful supervision of the team members. Through these encounters, our young learners not only developed empathy and kindness but also a strong sense of responsibility.

## EXPERIENTIAL LEARNING

**Swimming:** From dipping your toes in the water to aiming to perfect your stroke, children learn through a fun way of learning.

**Art & Craft:** Children enjoy art & craft which helps them to bring in their creative side, helps them to practise exploring colours, shapes and expressing emotions.

**Dance:** Our tiny tots wait for their fun filled dance classes, which help them to enhance their physical, social, emotional and cognitive skills.

# Parenting Activity tips

**Reading Together**

**Take a walk in nature**

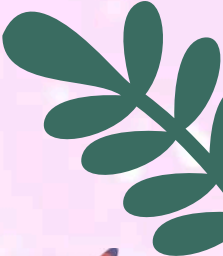

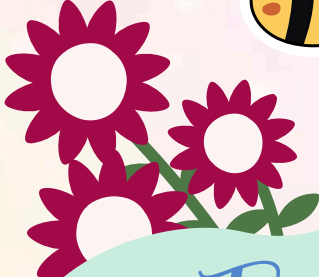

**Make healthy snacks together**

**Painting Together**

**Outdoor Adventures**

## Fun Facts ?

- RABBITS CAN SEE BEHIND THEM WITHOUT MOVING THEIR HEADS.
- YOUR EARS AND NOSE WILL NEVER STOP GROWING.
